**Interreg Volunteer Youth (IVY)** is an initiative promoting **volunteering** experiences within European projects of cooperation between regions. Part of the **European Solidarity Corps**, IVY volunteers support and help raise awareness of the concrete achievements of **European Territorial Cooperation**, also referred to as **Interreg**.

Interreg allows to tackle common challenges together and find **shared solutions**, building on solidarity and cooperation and encouraging integration in Europe. With IVY, the volunteers can help show the **positive impact** of Interreg for the **development** of all regions in Europe and on **citizens'** daily life.

IVY strengthens the sense of European belonging, citizenship and **civic engagement** as volunteers get involved in projects enhancing social cohesion, local development and environmental protection.

Young people make an **impact** and show **solidarity** while making an experience of personal **growth**, whether in the country they are from or discovering a new one.

Since March 2017, almost 400 volunteers have joined IVY contributing to the visibility of Interreg projects all over Europe. Follow their stories: <https://www.interregyouth.com/blog>.

IVY is managed by the [Association of European Border Regions](#) (AEBR) on behalf of the European Commission Commission's Directorate-General for Regional & Urban Policy. AEBR financially supports all volunteers with a daily allowance for the entire duration of the IVY placement, insurance coverage and a contribution to travel costs.
